ABOUT ME

Aspiring Full Stack Web Developer with a strong foundation in MERN Stack, JavaScript, and modern web technologies. Passionate about building responsive, scalable web applications with hands-on experience in Express.js, React.js, and MongoDB. Proficient in frontend technologies (HTML, CSS, JavaScript) and familiar with client-side and server-side rendering techniques. Skilled in coding across multiple programming languages and technologies, with an understanding of design patterns, Software Development Life Cycle (SDLC) processes, and application development methodologies. Eager to apply technical expertise in a dynamic and collaborative environment.

EDUCATION

B.Tech in Information Technology

May 2024

GPA: 7.4

SKILLS

Languages Javascript, HTML, CSS, MongoDB

Frameworks React, Redux, Node.js, Express

Tools Git, Docker, Kubernetes, GCP, REST APIs, Postman, Visual Studio Code, MongoDB Compass

Soft Skills Time Management, Teamwork, Communication, Problem Solving, Leadership, Accountability

PROJECTS

Cyber Bullying Detection Based On Social Media

[GitHub](#)

- Developed a system to detect and classify cyberbullying using NLP.
- Implemented real-time content analysis and automated account blocking.
- Aimed to enhance online safety through proactive monitoring.

Weather App

[GitHub](#)

- Built a weather app with real-time data using a public API.
- Displayed temperature, location, and weather conditions with a responsive UI.
- Strengthened skills in API integration and frontend development.

E-Commerce Responsive MERN Application

[GitHub](#)

- Built a basic e-commerce app with product browsing, cart, and secure checkout.
- Developed backend APIs for authentication, product, and order management.
- Gained hands-on experience in full-stack development and system integration.

INTERNSHIPS

- Web Development Intern – Unique Technologies.
- Mobile App Development Training – VEI Technologies.

CERTIFICATIONS

- Certification in MERN Stack Development — J Spiders, Bengaluru, India.
- Certification in Frontend Web Development — J Spiders, Bengaluru, India.
- Workshop Training in Galvin Technology – Industrial Automation.
